	Serial No.	
6520	22	From the President Dr. Bd. Hassan No: R.O.C. 485-23 dt 27/28 May 1924 States with refce to the revised rules for the occupation of T.B's in the State issued vide Sl.18, that no distinction has been made between ~~the~~ I & II class T.B's under the Rev. Commr. on the one hand and the III class T.B's under the Dr. Bds on the other and requests that the position of the Dr. Bds be expressly recognised, and that ~~the~~ III class T.B's excluded from the direct control and supervision of the D.C's and left to the Presidents of the Dr. Bds concerned. As the District Boards are maintaining the third class bungalows, and the establishment charges are debited to Dr. funds, it is perhaps reasonable to give the Boards full powers of Control and Supervision. As far as the rules ~~for~~, recently revised so, the following powers, and responsibilities are vested in the D.C. 1) Power of granting permission for the occupation of the same bungalow for more than 3 consecutive days. (Rule 7). 2) Power to fix the scale of cost of articles injured or broken by travellers. (Rule 13)

12/. As regards Travellers Bungalows Govt. have directed that the District Board shall maintain 1st class Travellers Bungalows and as such it seems the District Board should have power to frame by laws with the matter of the maintenance of these Bungalows. But under Sect 38 of the Regulation, power to frame bylaws is reserved as regards Musafirkhanas belonging to the District and not as regards Travellers Bungalows. The circumstances under which the Travellers Bungalows have been omitted from the scope of the bylaws are not clear. As the Section stands it seems that the District Boards have not got power to frame bylaws

THROUGH THE DEPUTY COMMISSIONER, HASSAN DISTRICT.

Sir,

With reference to the S.O.No. G. 14456-504/G.M. 140-23-18, dated 7th May 1924, issuing revised rules for the occupation of Travellers' Bungalows in the State, I have the honor to mention that no distinction seems to have been made between the I and II Class Travellers' Bungalows on the one hand which are in charge of the Revenue Department and the III Class Travellers' Bungalows which are in charge of and are the property of the District Boards, in the matter of the authority that has got to be looked to for their administration, and the entire power and responsibility seem to have been entrusted to the Deputy Commissioners of the Districts, the District Boards being altogether ignored. I therefore beg to suggest that the position of the District Boards may be expressly recognised, and the III Class Travellers' Bungalows excluded from the direct control and supervision of the Deputy Commissioners but left to the Presidents of the District Boards concerned and orders of Government obtained in the matter.
